

Neuqua Valley

Physical Education Leaders Program

2018-2019

Thank you for expressing an interest in applying to the Neuqua Valley Junior PE Leaders program.

This year long course is offered to students who are interested in developing leadership skills within a Physical Education environment. Students will concentrate on skill development, game strategies, skill analysis, officiating rules and techniques, teaching progressions and methods of organizing and administering various types of activity classes. A strong emphasis is placed upon the development of responsibility for self and others, leadership skills, and peer teaching.

This course is a prerequisite for our Senior Leaders course. Students enrolled will be able to utilize their leadership qualities by assisting a Physical Education teacher. Responsibilities would include leading warm-up activities, officiating game play, helping students with skill development and being a positive role model to younger students.

The selection process will take place shortly after all applications have been received on **January 25, 2018**. All applications will be reviewed and discussed by the entire Physical Education Department. A list of accepted students will be posted on February 9th in the PE Hallway
